Mode of the mixed pairs' championship

Admittance: All registered mixed pairs participate in the mixed pairs' championship. A mixed pair consists of one female and one male player from the same nation. Maximum four pairs per nation are allowed. Pairs must consist of players who are registered for individual strokeplay championships.

Mode and ranking: The playing mode of mixed pairs' championship is as follows:
The player in turn to play alternates after every stroke on a lane, until the lane has been completed or six strokes have been used.
The players in a pair must use the same ball on a lane from the first stroke until completion of the lane.

The male player is to play the first stroke on lanes with odd numbers (1, 3, 5, 7, 9, 11, 13, 15, 17) in round 1. The female player is to play the first stroke on lanes with even numbers (2, 4, 6, 8, 10, 12, 14, 16, 18) in round 1.

The female player is to play the first stroke on lanes with odd numbers (1, 3, 5, 7, 9, 11, 13, 15, 17) in round 2. The male player is to play the first stroke on lanes with even numbers (2, 4, 6, 8, 10, 12, 14, 16, 18) in round 2.

The procedure will be same for qualifying and final rounds.

The scores of the two qualifying rounds are added up for the qualification ranking of the mixed pairs' championship.

The best 16 pairs will qualify for the mixed pairs' finals. In case of even scores, a sudden-death playoff will be played at the end of the qualifying rounds for qualifying to the mixed pairs' final. It will take place on the last played course.

In case of necessary sudden-death, it will be played as follows: A coin toss or other way of draw will decide the playing order of the pairs. Male players start on odd lanes, female players start on even lanes. The playing order of the teams alternates each lane according to the WMF worldwide international sport rules regarding sudden death playoffs.

The scores from the qualifying rounds are carried on to the two final rounds of mixed pairs' competition. The pairs are regrouped according to the ranking of the qualification rounds.

In case of sudden-death it will be played immediately at the end of the mixed pairs' finals on the last played course. The sudden-death format will be the same than for qualifying to the final (see above).
